# PRAISE & THANKS

---

2018 has been an incredible year of transition, open doors, and opportunities for The 3:15 Project.

We can't thank everyone enough for your continued encouragement and generosity. God has been faithful in bringing the original vision of the ministry, ever closer to reality.

Thank you for letting us celebrate and share just a few of the highlights.

## Students Sharing Their Stories, Big Time!

We are stepping out in faith to help the Georgia Baptist Mission Board launch an initiative to empower youth pastors to help their students share their story!

Watch how youth pastors and students are already being impacted, and learn how you can help at [www.storydrive.com/youth-vision](http://www.storydrive.com/youth-vision)

## Mentoring & Teaching Students

Our "StoryDrive Academy" has launched in partnership with Grace Fellowship of South Forsyth. Students are learning practical video production skills as well as "people skills" to help serve those sharing their story. **Learn more at [www.315project.com/academy](http://www.315project.com/academy)**

## Planting a StoryDrive Studio in Cumming, GA

Answered prayer! First Baptist Cumming is generously and graciously letting us plant a studio upstairs in their youth house where we can harvest stories, teach, gather, and pray. We are trusting for some folks to help cover the costs of renovating a classroom into a reverent story filming studio. We hope to have everything ready to go and celebrate with a tour and open house early next year!

Peace, Hope, and Love,
